### PLATFORM & RESOLUTIONS.

The Republicans of the State of Nevada in convention assembled express their loyalty to the principles of the Republican party.

Resolved: That the recognition of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important public question now awaiting solution by the American people.

Resolved: That a diminishing quantity of money reduces the price of labor and property, increases the obligation of contract, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved: That the present financial system of the United States, which increases the circulation of the circulating medium as the pleasure of the manipulators of the national banks without regard to the wants of the people, and which results in the accumulation of value, and places in the hands of the Treasury Department all the means of the Government to spend at will, without limit and without regard to the rights of the people, is unjust, and should be reformed.

Resolved: That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates redeemable in coin, or both, as convenience may require, is the only policy demanded.

Resolved: That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the money ring or trust, which has used the Government's power to the Government to issue money, and which has fraudulently devalued silver and seized the revenues of the Government for its own special use, is the most wicked and dishonest policy ever pursued for Government and Law. We demand that this ring be broken up and equal rights be restored to all people.

Resolved: That we charge that President Cleveland is the willing tool or agent of a powerful money ring which fattens the subsidies of the Government, makes war on silver, issues paper currency at the expense of the Government, borrows the revenues raised by taxation on an issue of them without the payment of interest, contracts the currency to enhance the value of bonds, and enriches the moneyed class at the expense of the laboring class.

Resolved: That we favor the nomination of no man for President who is so much interested in National banks or the bonded indebtedness of the United States, but we demand a candidate who is free to do justice to all the people of the country—the poor as well as the rich.

Resolved: That the trickery of the President and his advisers by which they prevented a vote in the House of Representatives on the Bland silver amendment to the Bond purchasing bill, equals the will of the secret and fraudulent monetization of silver in 1873.

Resolved: That we are in favor of the protection of home industry, and that the laborers of this country have a right to all the work required to supply the people of the United States, and that we are in favor of high wages in this country and to that end will protect the wage-workers competition with the cheap labor of other lands.

Resolved: That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or hand, is most active in conducting.

Resolved: That we charge President Cleveland with violating every promise he made in order of civil service reform, with crippling the

## EAGLE MARKET.

Beef, Lamb, Mutton, Veal, Sausage, Etc.

My facilities for purchasing good beef are second to none in the State, and customer can always be assured of the best in the market.

This market was the first in the city to introduce the cold storage process, by which meats can be kept for weeks in the hottest weather. Our cold storage room is the largest and most perfect in the State.

mail services, with reference to the necessary bill for the improvement of rivers and harbors, which is the power of his administration to prevent appropriations for a navy and coast defense, with attempting to destroy the protective tariff, with carrying the good will of other nations at the expense of the citizens of the United States, and with joining the foreign bondholders to demand silver and destroy the industries of our country, and for the redemption of money with the first employees at Carson, by closing the Carson Mint, when it was not only self-sustaining, but a source of revenue to the Government, for the maintenance of disabled soldiers and sailors, and for funding to construct the Government building at Carson as required.

We are in favor of the absolute exclusion of Chinese, as the restriction of immigration by which the present overcharged condition of the labor market is made worse, and also for legislation by which the labor of our naturalization and land laws may be accomplished.

We demand, in behalf of our various industries, the recognition of the duties of coal, borax, wool, hides and leather, and to restore the tariff of 1873 on wool.

Resolved: That we recognize the right of labor to organize for its self-protection.

We favor liberal appropriations by Congress for hydrographic and topographical surveys in this State to the extent that the waste waters may be preserved for the purpose of irrigation.

We endorse the wise and conservative administration of Governor C. C. Stevenson, and we heartily commend the able efforts of Senators Stewart and Jones and Representative Woodburn in behalf of the interests of the people of this State.

We favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.

We favor the reduction of the Treasury surplus by the payment of pensions to Union soldiers, their widows and orphans, the improvement of rivers and harbors, the building of defenses for our sea-coast, the erection of public buildings, the creation of a navy, the purchase of bonds and the support of the internal revenue laws taxing tobacco.

It is the duty of the State to maintain free non-sectarian schools in the rural and sparsely settled districts as well as in towns and cities, and that such a division of the school money should be made as will furnish the means of a education to all children in the State.

We are in favor of re-opening the Carson Mint for coinage and raising the wages of its employees to the standard paid by the last Republican Administration.

We demand the restoration of the mail service in this State to its efficiency maintained by the last Republican Administration, and favor the payment of fair wages to all postal employees.

## The Appetite

May be increased, the Digestive organs strengthened, and the bowels regulated, by taking Ayer's Pills. These Pills are purely vegetable in their composition. They contain neither calomel nor any other dangerous drug, and may be taken with perfect safety by persons of all ages.

I was a great sufferer from Dyspepsia and Constipation. I had no appetite, and was constantly afflicted with Headache and Dizziness. I consulted our family doctor, who prescribed for me, at various times, without affording more than temporary relief. I finally commenced taking Ayer's Pills. In a short time my digestion and appetite

### IMPROVED

my bowels were regulated, and, by the time I finished two boxes of these Pills my tendency to headaches had disappeared, and I became strong and well. Darius M. Logan, Wilmington, Del.

I was troubled, for over a year, with Loss of Appetite, and General Debility. I commenced taking Ayer's Pills, and, before finishing half a box of this medicine, my appetite and strength were restored. — C. O. Clark, Danbury, Conn.

Ayer's Pills are the best medicine known to me for regulating the bowels, and for all diseases caused by a disordered Stomach and Liver. I suffered for over three years with Headache, Indigestion, and Constipation. I had no appetite, and was weak and nervous most of the time.

### BY USING

three boxes of Ayer's Pills, and at the same time dieting myself, I was completely cured. My digestive organs are now in good order, and I am in perfect health. — P. Lockwood, Topeka, Kansas.

Ayer's Pills have benefited me wonderfully. For months I suffered from Indigestion and Headache, was restless at night, and had a bad taste in my mouth every morning. After taking one box of Ayer's Pills, all these troubles disappeared, my food digested well, and my sleep was refreshing. — Henry O. Hemmenway, Rockport, Mass.

I was cured of the Piles by the use of Ayer's Pills. They not only relieved me of that painful disorder, but gave me increased vigor, and restored my health. — John Lazarus, St. John, N. B.
